## CAN CHIROPRACTIC HELP ME?

We are often asked:

*“What’s the best way of finding out whether a Chiropractor may be able to help my problem?”*

We believe the answer may be found in a complete consultation and examination, including X-rays if clinically appropriate.

- A consultation with the Chiropractor
- Posture assessment and Myovision scan.
- In house optional discounted X-rays (an additional £30.00 if clinically necessary)
